

MobyDuct

Antistatic, flame retardant, ventilation ducting

Technical Data

Further diameters available upon request.
Technical data are based on +20°C.

PRODUCT CODE	Max Vacuum bar	Length m
MOBYDUCT600X5	0.03	5
MOBYDUCT600X10	0.03	10
MOBYDUCT760x5	0.015	5
MOBYDUCT760x10	0.015	10
MOBYDUCT1000x5	0.015	5
MOBYDUCT1000x10	0.015	10
MOBYDUCT1200x5	0.013	5
MOBYDUCT1200x10	0.013	10

Material

Reinforced PVC with internal spring steel helix and PVC wear strip

Colour

White / other colours to order

Sizes

600mm – 1200mm

Temperature Resistance

– 0° up to + 50° C

Applications

Ventilation in mining and tunnelling

Available variants

Comes with suspension strip, hooks and wires
available with cuff couplings or end rings

Properties

- antistatic
- light weight
- flame retardant
- rot resistant
