

## Material

Reinforced PVC

## Colour

White / other colours to order

## Sizes

600mm – 1200mm  
Others available on request

## Temperature Resistance

– 0° up to + 50° C

## Applications

Ventilation in mining and tunnelling

## Available variants

Comes with suspension strip, hooks and wires available with cuff couplings or end rings

## Properties

- antistatic
- light weight
- flame retardant
- rot resistant

## MobyDuct LayFlat

©Baulderstone Hornibrook

## Technical Data

Further diameters available upon request.  
Technical data are based on +20°C.
